Siskiyou County

Malinda Wheeler, FNP  
Los Angeles and Orange  
Counties, Treasurer

Sally Wilson, NP  
Los Angeles County

Jacqueline Winters-Hall,  
RN, Butte County

Cal SAFE is **EXCITED** to announce our online  
Sexual Assault Forensic Examiner training,  
**Cal SAFE EDUCATE!**

Cal SAFE EDUCATE instructors have over 260 years of combined experience and expertise in forensic examinations and most are active examiners.

Cal SAFE EDUCATE is different from other online SAFE trainings—we have Skills Demonstrations, REAL LIFE Demonstrations by actual examiners to show you an exam from start to finish, AND a monitored discussion board with experts in the field.

Cal SAFE EDUCATE includes 40 hours of online training (California BRN Approved CEUs) and 16 optional hours of training. Topics include Strangulation, Suspect Exams, Forensic Photography, and Testimony training.

Cal SAFE members pay only \$50 for the training, non-members get the training for \$150! This is one of the most cost-effective trainings in forensics you will find. Our course is available 24/7, 365 days a year!

So, join us, and tell that friend who has “always been interested in forensics” too!
